

## **PRAYER POINTS**

### **TAKING CARE OF BUSINESS**

Prayer is an irreplaceable opportunity to accomplish so much. In praying for one's needs, a person reaffirms his personal relationship with the Almighty, which elevates him step-by-step to higher spiritual levels. In turn, his higher level and greater closeness draws an enhanced measure of the Almighty's blessings into his life.

Although praying is a mitzvah (commandment), one of the sages explains that what one needs in this world – health, peace, and a livelihood.

There are few words as descriptive of human happiness as the phrase “the answer to my prayers.” To turn to heaven with one's deepest longings, and then to see with one's own eyes the evidence of the Almighty's loving response, is one of the most inspiring, uplifting experiences available.

Remember, while you pray for yourself, one the greatest blessings you can receive is to pray for others as well.
